

Wine List

The wine collection in your private cellar has been selected by Peder, the winemaker here at Heathcote II.

The wines represent some of the best examples from around Heathcote, Australia and the world of their grape varieties. The varieties we grow ourselves at Heathcote II around the property.

The cellar contains a spread of iconic producers whose track record over the years have made them references in their region, from Auguste Clape, Rene Rostaing, Michelle Laurent (Domaine Gramenon) or Pierre Gaillard in Rhone to Robert Weil, J.J.Prum in Germany to Ron Laughton (Jasper Hill) in Heathcote.

Mixed within the icons are some younger promising talents such as Laherte Freres in Champagne, Christophe et fils in Chablis for you to discover.

On the Spanish side, Peder selected some wines (QS, PSI) from Danish Icon Peter Sisseck who makes some of the most recognized wines in Spain.

We hope you enjoy the wines in your private cellar.

Peder Rosdal & Lionel Flutto
